

CHARAN ELAMPARITHI KALA

Langley, BC | 587-936-1618 | charan.elamparithikala@student.ufv.ca | github.com/CharanElam

PROFESSIONAL SUMMARY

Computer Information Systems student at UFV with hands-on experience in technical support, hardware/software troubleshooting, QA testing, and full-stack development. Proven ability to collaborate in Agile environments and communicate technical concepts clearly. Dean's List (GPA 3.75) with practical exposure to networking, databases, and systems administration.

TECHNICAL SKILLS

Operating Systems: Windows, Linux | **Methodologies:** Agile, Scrum, SDLC

Hardware Support: Computer hardware troubleshooting, peripheral configuration, equipment deployment

Technical Support: Software installation, system diagnostics, documentation, QA testing

Programming & Web: Python, PHP, HTML, CSS, JavaScript, TypeScript

Tools & Platforms: MS Office 365, Git/GitHub, PostgreSQL, Next.js, Prisma, Tailwind CSS, PrairieLearn

WORK EXPERIENCE

Research Assistant • *University of the Fraser Valley* • *Abbotsford, BC* Oct 2024 – Present

- **Collaborated** within an Agile technical team, participating in sprint planning and stand-ups to prioritize and resolve issues.
- **Performed** QA testing on interactive programming exercises, identifying and fixing bugs prior to deployment on PrairieLearn.
- **Documented** technical processes and testing procedures, improving knowledge transfer and team efficiency.
- **Translated** educational requirements into technical solutions, working cross-functionally with faculty.

Founder & Instructor • *S.T.A.C.K. — Online CS Tutoring* • *Remote* Aug 2025 – Present

- **Designed** and launched a 10+ hour Python Bootcamp teaching 6 students programming concepts, logic, and problem solving.
- **Created** all course content, assessments, and feedback mechanisms; managed a Discord server for ongoing peer support.
- **Delivered** live instruction via Zoom, simplifying complex technical concepts for middle and high school learners.

Assistant Coach • *Pursue Badminton* • *Surrey, BC* Mar 2024 – Present

- **Coordinated** schedules and led sessions for 50+ students; managed administrative tasks and smooth operations.
- **Delivered** consistent customer service to parents and students, addressing inquiries and concerns promptly.

PROJECTS

Badminton Tournament Manager | Next.js, TypeScript, PostgreSQL, Prisma, Tailwind CSS | github.com/CharanElam

- **Built** a full-stack web app replacing Excel-based tournament scheduling with automated fixture generation and standings management.
- **Implemented** secure JWT/bcrypt authentication, REST API design, and cloud deployment (Render + managed PostgreSQL).
- **Supported** multiple tournament formats (elimination, round robin, group stage, knockout) with automatic seeding and tiebreaker resolution.
- **Distributed** MVP to a public test group for real-world feedback; roadmapping AI-powered scheduling and optimization features.

EDUCATION

Bachelor of Computer Information Systems Expected April 2028

University of the Fraser Valley — Abbotsford, BC | GPA: 3.75 | Dean's List – Fall 2025 & Winter 2026

Coursework: Systems Hardware Concepts, Networking & Security, Database & DBMS, SDLC & Agile, Web Development, Project Management
